State EOC activated for Grandview chemical warehouse fire

CAMP MURRAY, WA --The State Emergency Operations Center (EOC) at Camp Murray was activated about 3:05 p.m. today in response to the chemical warehouse fire at Grandview in the lower Yakima Valley.

The State EOC is monitoring the situation and coordinating with the Washington state Patrol, the Washington Military Department's Joint Operations Center and the state departments of Agriculture, Ecology and Transportation. Gov. Christine Gregoire's office also has been informed of the incident.
